

Cecilia Valdes Gonzalez

Hello! Welcome to AISMA 2017-2018 school year.

My name is Cecilia Valdes, K3 and 2nd grade teacher. First of all, let me thank you for trusting me in taking care of the most important part of your life, your kids.

I want you to know me a little bit better:

I started being an English teacher in 1997 while I was studying my last year of high school in Leon, Gto (my hometown). Immediately fell in love with this profession and decided to get my teachers degree. I've been teaching for 20 years now.

I am working to be the best teacher so my students will be prepared not only for academic purposes but for life. I would like to obtain a master's degree in education, continue to embrace cultural diversity through culturally sensitive teaching.

One of my strengths is that I am constantly reflecting on my practice and looking for ways to improve, also my flexibility

and willingness to always learn and try new things. I'm also energetic, I have so much enthusiasm for teaching! I consider myself as patient and love to apply my empathy to my kids. I always build strong rapport with students, using my sense of humor and having fun.

I lived in the USA and while studying English I worked with kids. I enjoyed being a nanny so much.....
and there's where my love for kids became stronger. I truly believe I can make a difference in a child's life. I want to be a positive influence for them, for school life but for real world as well. I really believe that I can change the world by being a good teacher. I want my students to be independent, critical thinkers, problem solvers, responsible, respectful, caring, good friends, compassionate, organized, good time managers, active participants, determined, disciplined, honest, solid,

But what I really want from my students is to make sure they know how much they mean to me and how much I love them. I really think my kids teach me every day a new thing and they make me a better person. I love my job and I love to teach!

Cecilia Valdés González.

K3 and 2nd

grade English teacher at AISMA
